NARRATIVE:

Anthony Quinn has an extensive adult criminal history that began at the age of 26. His convictions include prison escape, burglary, petty theft, grand theft, vehicle tamper, violation of parole and possession of controlled substances for sale. He has served multiple incarcerations, the longest being a 4 year term for burglary. Quinn was released from state prison to the supervision of the Los Angeles County Probation Department on December 10, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2015 after he absconded from post release community supervision (PRCS). Quinn qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for burglary is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
